

Name _____

Sizes Worksheet
Big and Small

Look at the shapes in each of the four sections. Circle the **small** shape in each section. Draw a line under the **big** shape in each section.

The worksheet is divided into four quadrants by a vertical and a horizontal line. Each quadrant contains two shapes of the same color and type, but different sizes. The top-left quadrant has two orange triangles; the smaller one is on the left and the larger one is on the right. The top-right quadrant has two green rectangles; the smaller one is on the left and the larger one is on the right. The bottom-left quadrant has two blue squares; the smaller one is on the right and the larger one is on the left. The bottom-right quadrant has two yellow circles; the smaller one is on the left and the larger one is on the right.
